2020/21

GEMS

أكاديمية جيمس دبي الأمريكية

Dubai American
Academy

INTRODUCTION

ESM are an international sports management company governing all sports provision in schools and ensuring delivery of programs are at a level of quality expected from the developed international norms.

Through a combination of internally delivered sports and activities and externally governed providers, ESM sit as a premium sports coaching service which meets high standards expected from international and Emirati parents.

DELTA deliver an exciting instructional programme which deepens academic learning but is imbued with real-world relevance and practical application. We aim to offer opportunity and excellence. Through this approach, we believe we offer the future of education. We believe that among our students are future Olympians, Nobel prize winners, World Leaders and Industry Pioneers. Although we actively seek to identify and nurture exceptional talent, our programmes strive to set all of our students on a lifelong journey of excitement, fulfilment, learning and self-discovery.

At DELTA Learning, we provide all our students the opportunities to discover and develop their strengths, and the world-class instruction to help them become the best version of themselves that they can be.

HOW TO REGISTER

To register your child/children onto an after-school activity programme, you will need to click on the below link:

<https://asa.esmplay.com/login>

Step 1:

Create a log in and password.

Step 2:

Create a parent profile.

Step 3:

Create a student profile for your child/children

Step 4:

Once all profiles have been created, select 'Dashboard' (this will take you back to the homepage).

- ⇒ Select 'After School Activities'
- ⇒ Select 'Add booking'.
- ⇒ Select 'School and term'
- ⇒ Click 'Next step'.

This will generate the full list of After School Activity programmes being offered at the school.

- ⇒ Choose the activity you wish to register your child for.
- ⇒ Click 'book'.
- ⇒ This will be 'added to cart – go to checkout' or select more activities
- ⇒ Click 'proceed to checkout'.

- You can register your child onto as many programmes as you like, providing they are not being offered on the same day and time.
- You can register your child onto the programmes at any time throughout the term. Prices will automatically be pro-rated depending on the number of weeks left.

****24-hour lockout****

It is important to note that there is a 24-hour cut off period where you cannot register onto a programme that starts less than 24 hours before that particular class for Child Safeguarding purposes. This is to ensure that Homeroom Teachers can be notified in time so that the children can be brought to the correct locations.

For example, if you wish to register for a programme running on a Tuesday 3:00pm-4:00pm, you must register your child no later than 3:00pm on the Monday. If you register after this time, your child's first session would commence on the following week's Tuesday.

Launched in 2010, Tennis 360 is Dubai's premier tennis academy, owned and operated by world-class tennis professionals and responsible business minds. Our internationally-qualified team delivers structured and progressive programs for juniors and adults of all abilities, complemented with tournaments and social events, to create "FIRST THE ATHLETE, THEN THE PLAYER".

Kindy Smashers is designed specifically for little ones to promote motor skills involving agility and coordination through exercise and games, while learning basic tennis skills. Students hone skills such as throwing, catching, locomotion, push and pull, visualization and rotation, hand-eye coordination, balance, ball-striking and development of core stability.

Mini Smashers can regularly make contact in ball-striking, have basic coordination skills and have the ability to focus and throw at a target. This program teaches agility, hand-eye coordination, balance, flexibility, speed and reaction through games-based drills while being introduced to correct tennis techniques. Proven in conclusive studies, this is a key age to develop such skills.
